that "the above reciprocity arrangement will not apply to patients who have already been admitted into a Mental Hospital either in Mysore or in Bombay." Under this proviso, I do not think that the claim for his maintenance charges is justifiable. There can however be no objection if the Bombay Government send the patient to Bangalore without claiming any cost of his maintenance, since he has been there for nearly 20 years.

From

H. V. Ramasvami, Esq., M.A., B.L.,

General Secretary to the Government of His Highness the Maharaja of Mysore.

To

The Secretary to the Hon'ble the Resident in Mysore, Bangalore.

Sir,

With reference to your letter No. F. 289-35/R.O.IT, dated 12th June 1935, I am directed to state that the Comptroller in Mysore has been requested to arrange the adjustment in accounts of the sum of Rs. 258-12-0 referred to in para 2 of your letter.

In the case of the other patient viz., Sarvottam Anant Shaina, I am directed to point out that he was admitted to the Bombay Hospital 21 years ago and that the Government of Bombay have only now ascertained that he is from Bangalore and have claimed the maintenance charges from 1st April 1930.

In this connection, I am to invite reference to the last para of the Government Order No. G. 12990-1/Med.54-28-21, dated 3rd May 1930 according to which the reciprocity arrangement will not apply in the case of patients who have already been admitted into a Mental Hospital either in Mysore or in Bombay. Under this proviso, the claim for the maintenance charges of the patient is clearly not tenable. I am, however, to add that there is no objection if the Bombay Government send the patient to Bangalore without claiming any cost on account

of his maintenance since he has been in Bombay for nearly 21 years.

I am also to request you to kindly bring to the notice of the Government of Bombay that it is very -- desirable that intimation about admission of mental patients of Mysore to Hospitals in the Bombay Presidency should be sent within a month or so of the admission and arrangements for transfer also made immediately after acceptance of their transfer is communicated.
